

ICC YAAF: Anatomy of a perfect cross: dissecting examination techniques

In person | 1 July 2026 | [Register now](#)

What does it take to conduct the perfect cross-examination?

Find out from those who do it at the highest level. In an interactive panel discussion, four elite international arbitration practitioners will share their real-world do's and don'ts for mastering direct, cross, and redirect examination - dissecting the techniques, instincts, and lessons behind flawless witness examination. Every tip, every pitfall, every war story. The event will be followed by a networking event kindly sponsored by Vieira de Almeida & Associados.
